

**PEACE FOR ALL AGES** is the central theme around which the ongoing life and ministries of the congregation are designed.

**PEACE FOR ALL AGES** is also the theme of the Memorial Garden as it looks back to remember with thanksgiving the heritage and the people who have been part of the history of the congregation. The Memorial Garden features a columbarium (a place for the inurnment of cremains), walls for memorial plaques, a labyrinth for personal reflection, benches, landscaping, lighting, and walkways.

The Peace Memorial Garden is located on the south side of the shelter house in a sloping area flanked by mature trees and flowering perennials. It is visible and accessible from the front parking lot, the shelter house and the summer outdoor worship.

The Peace Memorial Garden is a place on the Peace Church Campus where families and friends can come to remember: To reflect God's presence in a natural setting with prayer; to remember loved ones; and to celebrate the heritage of Peace Church.
